

# 2001- NEW LRS CODES FOR LIBRS 2.0 IN LEMIS 2000

---

- *First you will want to check to see if these updates have been done to your software. To check your Offense Table go to Utility Module, Update, Offense Table, click on the Enter Query button, type the LRS # in the Offense column and then click on the Execute Query button. If the LRS, description, etc. show up it's been added already.*
- *If the LRS needs to be added you will need to click in a blank line, type the LRS # in the Offense column, type the LRS# in the Revised column, type the NIBRS code in the appropriate column, type the number that correlates to the Type in the appropriate column, type the Description and type a "Y" in the LIBRS Reportable column. Be sure to click on the SAVE button after each entry.*
- *Type: Person = 1, Property = 2, Society =3*

<i>LRS #</i>	<i>DESCRIPTION</i>	<i>NIBRS CODE</i>	<i>TYPE</i>

# 2001- LRS CODES TO BE MADE “NON LIBRS REPORTABLE” FOR LIBRS 2.0 IN LEMIS 2000

---

- *First you will want to check to see if these updates have been done to your software. To check your Offense Table go to Utility Module, Update, Offense Table, click on the Enter Query button, type the LRS # in the Offense column and then click on the Execute Query button. If the LRS # is listed in the Revised column, the NIBRS code is there, the Type is there and there is a “Y” in the LIBRS Reportable column it hasn’t been updated.*
- *To update the Offense Table you will take out the LRS code in the Revised column, take out the NIBRS Group, Take out the Type and change the LIBRS Reportable to a “N”. Be sure to click on Save after each entry.*

<b>LRS#</b>	<b>DESCRIPTION</b>
